The Mason LINE

by Chen Mason

Steve Chance, a Lemon Grove friend of ours was going through an old cedar chest the other day and discovered a copy of a July 4, 1926 San Diego Union. He loaned it to us for our personal, wonderful memories, 1926.

The automotive section of the Sunday Union featured such ads as "The Overland Six. The car for the man who is geared to go on high. Modern engineering has built a motor capable of maintaining an average speed of 40 M. P. H. or better. Price \$935.00."

"Oakland with the new four wheel brakes has sold over 10,000 cars the first three months of this year."

"Pierce Arrow 80 crosses continent, Washington to San Diego, in seven days."

—M.L.—
Jokes too. "A judge asked a fellow who had been arrested for speeding why he hadn't given the officer his right name. 'I wasn't feeling myself that day,' was the reply."

—M.L.—
Babe Ruth even rated a headline for striking out as a pinch hitter.

Bobby Jones was favored to win the U. S. Open. Yep, 1926 was quite a year!

—M.L.—
Ever notice how much "personality" means to a person? We're thinking of such tv personalities as Bob Crosby and Art Linkletter.

Bob had met with only mild success until the advent of his tv show. He hasn't the flare for making headlines that his brother Bing has. His singing voice is probably considered just so-so. But the complete sincerity and honesty he possesses comes into one's living room with tremendous force.

Art Linkletter is another really nice person whose personality appeals to everyone, young and old.

—M.L.—
We wonder if the success of Bob and Art isn't due to a pretty general formula: First, "Good taste." Second, they have developed their own language and are consistent in their use of it.

In this day and age, when the pressure is on for the development of more and more scientists and engineers we hope the countless thousands of young men who are not suited for these fields will not pass by the opportunities that are present in the field of selling.

"Know Thyself" is still pretty good advice. We might add also that after you "Know Thyself," then "Be Thyself."

If we were starting out as a young fellow again, knowing our limitations as we do, we'd take every English course we could, develop a vocabulary suitable to our personality and then use it. We'd write like the dickens and we'd get a job selling something.

Remarkable what dreams that 1926 newspaper brought on, isn't it?

School Programs Demonstrated Board Backdrop for Showing School Subjects

The importance of reading and spelling and the important part these subjects play in the elementary school curriculum will be demonstrated next Monday evening at Golden Avenue School. At a special meeting of the school board, to be held at the kindergarten, 7:30, October 24, personnel of that school host parents of the community and especially of that area. This is part of a series of district meetings set up by the school board to demonstrate to them the work being done in classes and to show school patrons the programs as they are effectively carried out in the classrooms.

John Thumm, teacher at Golden Avenue, along with Mrs. Evelyn Lauritzen, principal, will show how reading and spelling are taught in the schools of Lemon Grove. Certain units which strengthen word meaning, show correct usage and pronunciation, effectively use workbooks, and employ phonics will be demonstrated and discussed. The spelling units developed here by second grade teachers will be presented. At the same time the spelling guide developed by county teachers and now in Lemon Grove schools will be shown.

Parents and other interested people are asked to attend this meeting to learn more about the curriculum of local schools. At the same time a business meeting of the board will be held. Further consideration of district drainage problems, land purchase and annexation is listed on the agenda.

Winners Named In 'Lucky Lem' Events

Winners in the Lucky Lemon Days promotion were announced this week by the Merchant's Division of the Chamber of Commerce and a repeat performance was called for as a label of "success" was scrawled across Lemon Grove's first organized sales event.

One hundred thirty winners were picked from the little yellow Lemon Days tickets and one major prize winner was chosen. Mrs. E. A. Cox, 9935 San Juan, Spring Valley, was named winner of a Norge electric dryer which was given by McMahan's. Others won prizes ranging from sewing machine adjustments to shoes; from men's shirts to groceries. These prizes and merchandise values kept goodly crowds on Lemon Grove streets during the three days of the event last week, reported merchant members who attended a Monday Night Quarterback session at the Justice Court.

Another meeting to lay plans for a Christmas promotion will be held Monday, October 24 at 7:30 p.m. and all business people are urged to attend.

Nearly 1,000 kiddies were attracted to the personal appearance of Uncle Russ of tv. He held a crowd of youngsters as spellbound from his platform on the plaza as he seems to do when they flip to his channel daily on the home tv set.

It was conceded that there were "bugs" in the initial project but these appeared to be well on the way out. It was repeatedly pointed out at Monday's meeting that there were no paid employees outside the B/C Advertising Agency and that at least one paid employee was a must for the Christmas promotion.

Abe Goldberg was re-elected chairman of the division and Bob Vaughn and Ted Skelley were re-named secretary and treasurer respectively. Vaughn, who had tendered his resignation, agreed to hold it back until the next meeting.

A board of equalization was set up to ascertain the fair participation charge for the next event for each member. In addition to the already named officers, Ray Purtee and Clarence Milbrodt were seated on the board.

It was generally agreed too, that business building landlords should share in the cost of future promotions. "They share in our sales percentage," stated one merchant.

Merchants asked this newspaper, through its news columns to thank those shoppers who contributed to the success of the event.

Lemon Grove Camera was chosen as the spot for winners picking their prizes. The shop is at 7848 Broadway. Here is a complete list of certificate winners: Sandra Louren, 1985 Westinghouse.

Chamber Proposes By-Laws Change

A proposal of change of by-laws of the Lemon Grove Chamber of Commerce was announced this week by Dr. Robert Swenson, president.

Proposals would increase business members' dues from \$10 per year to \$25; resident members from \$5 annually to \$10 and set January as due date on all dues.

Another proposal would set seven members as a quorum. These changes will be discussed at the November board meeting to be held on the first Tuesday at the justice court building.

Board meetings are open to the public.

High School Bond Issue Squeaks Through By 166 Majority

The election held October 14 for voters' approval of an issue of \$2,223,000 Lemon Grove High School bonds for a building to be erected on a 50 acre site already purchased on Sweetwater Road, passed by a margin of 166 votes.

An El Cajon architect, Herluf Brydegaard, has been commissioned to design the school and is now working on preliminary studies. School authorities anticipate the school will be ready for use by the fall school term of 1957, at which time the district enrollment is expected to be more than sufficient to fill the school, which will accommodate between 1500 and 1800 students from Lemon Grove and Spring Valley.

Votes cast in the election totaled 7062, for the bonds, 4874, against 2188. State law requires a two-thirds majority to approve school bond issues. In this case 4708 votes were needed, or the small margin of 166 YES votes.

Neither school authorities nor the chairman of Grossmont board of trustees expressed surprise at the close vote, but others admitted the vote was closer than anticipated.

Support for the bond issue was strongest in Lemon Grove precincts, the area to be served by the new high school, and in San Te, where the fifth high school in the district probably will be located. You may expect another bond issue in a couple of years.

Some concern is being expressed at the small favorable majority in this election, evidencing a lack of enthusiasm for future school bond issues.

Founder's Day Dinner to Be Held Tuesday By Juniors

The Lemon Grove Juniors will hold their Annual Founder's Day Dinner on October 25 at 8 p.m. at the clubhouse, commemorating their tenth anniversary. Mrs. Harold Hatton, hostess chairman, is making the dinner arrangements. A drama program will be presented by Mrs. John Harvey.

The past presidents, past advisors and charter members are honored guests at this annual dinner.

The Junior club was organized in 1945, with Mrs. Walter Kezar serving as the first Junior president. The Juniors have presented honorary life memberships to two past advisors, Mrs. A. P. Schnell and Mrs. J. E. Sonka.

Thugs Knock Off Grove Owned La Mesa Theatre

There's money to be made in drive-in theatres and you don't have to pay union wages to operators to make it.

That is what one or more enterprising robbers apparently decided before they burglarized the new Alvarado Drive In in La Mesa.

The theatre's owners, Langford, Langford and Long, Lemon Grove building contractors, said that about \$400 was taken. To add to the insult, the thugs took the safe too. They overlooked a ten cent piece left on the counter.

Dr. Leslie Weatherhead, president, Methodist Conference of Britain:

TO VIE FOR QUEEN'S TITLE

On these pretty shoulders rests Lemon Grove's chance of being represented in El Cajon's Mother Goose Parade as queen of the event.

The shoulders belong to Janice Jowett, Helix High School student. She lives at 7585 Hughes Street in Monterey Heights. The parade will be held November 20.

Meanwhile, Frank J. Betten, prominent Lemon Grove horseman, has been appointed a division leader in El Cajon Valley's Mother Goose Parade. It was announced here this week by Glen O. Perkins, parade association committeeman in charge of section leaders.

"We're fortunate," Perkins said, "to have such outstanding riders as parade division leaders. Their fine, beautifully equipped horses contribute greatly to the color of the parade and, in addition, these skilled riders play an important part in helping maintain the pace of the parade."

Other riders named to serve as division leaders in the Nov. 20 parade are E. Earl Allen, San Diego; C. C. Alley, Chula Vista; Walter C. Church, El Cajon; Mr. and Mrs. Al Garcia, Vista; Harry Harness, El Cajon; R. S. Harness, La Mesa; Bob Howell, Lemon Grove; and Mrs. Arthur Froit, San Diego.

Cub Scout Troop 315 Gets 54 New Subscribers

When Cub Scout Pack No. 315, Vista La Mesa, decided to sell subscriptions to the Review to get money for purchasing scout uniforms, the atomic sales reaction they produced was entirely unexpected.

While most troops which take on such a chore turn in five or six new subscribers, Cub Pack No. 315 turned in 54 new subscribers.

So that everyone may know what a good job these youngsters did and who the new readers are we are printing a list with their names and addresses. Al A. Keckler, 7166 Hybess Dr., is Scoutmaster.

Den 1 sold the most subscriptions. They average two per boy. Mrs. Gloria Grey is Den Mother. Dennis Thurlund sold the most with six subs.

The Dimmer VIEW

By MAX GOODWIN

It's going to be a rugged year for the utilities in California unless my crystal ball is misguiding me.

There's the first instance up in Long Beach where H. F. Burmester, editor of the Long Beach INDEPENDENT-PRESS TELEGRAM has caught the California Gas and Electric Co. red handed in a lobbying paper that would have taken the tidelands away from Long Beach, thus making city owned gas unavailable which in turn would have forced taxpayers to use So. Cal. Gas Co. gas at a considerably higher cost to the consumer.

The other instance is the State Board of Equalization's action in arbitrarily increasing assessed valuations in 19 California counties. Five of these counties proved the board's sampling technique to be faulty and rebelled. That left 14 counties whose assessments were raised 19% to 39% by the board. San Diego, with an assessment ratio of about 30%, was not one of these.

Where the utilities get into the act, much to their embarrassment I imagine because they were not a party to this deal, is through the board's nebulous if not specious reasoning in setting out two assessment standards... one for the utilities and one for local property owners.

Here's the picture. The state board is rightfully attempting to equalize assessment among private property owners. Some counties are lower than the 25% average the board has attempted to establish. These are being raised. The board also announced that utilities are assessed at 50% of market value. The local assessor has no voice in assessment of utilities. The state board alone determines what they consider "market value."

A sample of what the state board considers "market value" is exemplified in the matter of our own utilities firm's installation, the Encino power plant at Carlsbad. This cost the San Diego Gas and Electric Company about 20 million dollars. In spite of the fact that there is telephone property and railroad property in addition to the gas and electric property, the total assessed value for the area has been set by the state board at about \$1,000,000 or 5%.

Arthur Eddy, San Diego County Tax Assessor, ran headlong into board stubbornness and vindictiveness when he objected to the wide variance between private ownership and utilities assessments. Eddy said Friday at the Lemon Grove Men's Club that the increase of assessed valuation in the 15 counties would shift seven million tax dollars from the utilities firms in those counties to private property owners.

Because of his stand Eddy is involved in a knock-down drag-out battle with Robert McDavid, board member who was voted in when Bonelli was voted out. There is also litigation in Tulare County, one of the counties resisting the board's arbitrary ruling.

What makes Eddy so mad, and it certainly does me too, is the legislation that prevents local assessors the right to defend us by denying assessors the right to appeal any action taken by the board.

The most frightening of all the arbitrary actions is the determination that no examination of the findings of the board may be made by your assessor. That puts the control of our local assessments up in Sacramento and puts you and me in the dark.

Because of the heat of the battle called upon to say this about Mr. Eddy in a letter which I have in my file. "It is my sincere hope," writes Mr. McDavid, "that you" (Arthur Eddy) "are not seriously ill—mentally ill, I mean." He wrote that because he was genuinely surprised that anyone could contest a board of equalization decision.

I know I am not going to resolve anything with this piece. Unquestionably the state board will continue to rule your life by remote control with or without your express approval. That is why the first politician who offers to start a trend of returning governmental rule and control to the local level where they belong will get my unqualified support.

Screened for Speech Defects

Children in all grades were screened for possible speech problems in Lemon Grove schools by Mrs. Genevieve Oliphant, speech correctionist here. She stated that a total number of seven pupils indicated from first screening a severe speech handicap, a noticeable decrease from last year's 21 problems. "The decrease might be because of transfers from the district," Mrs. Oliphant said, "but in most cases it is due to progress students have been making in their speech." A special program has been established in the schools here to take care of speech problems which occur so often in the elementary grades.

Winners Named in School Art Contest

Students of the art classes at Lemon Grove Junior High, studying under Mrs. Virginia Cornelius, entered a P-TA poster contest as part of the membership drive. There were many beautiful posters to judge. The winning ones are now on display in store windows of local merchants. Others are on display in the various homerooms at the school.

The winners are, first place, Jeanette Cole, grade 7 to 5, sec-

money for a trip to Hollywood.

The leader, Mrs. Irving Johnston, and the mothers of the Girl Scouts recently held a rummage sale. It was very successful. To fully publicize the rummage sale, the girls made posters and distributed them around for display in the Lemon Grove stores.

Four girls from a Monterey Heights troop were recently accepted as members of Troop 280.

Newly elected officers of Troop 280 are as follows: President, Sandra Sommer; Vice President, Jeanette Lowe; Secretary, Carolyn Hall; treasurer, Judy Taylor; telephone chairman, Jeanette Lowe; publicity chairman and historian, Toni Larson.

Cracked Dishes Needed for Carnival

Don't throw those cracked dishes in the trash can—the ball throwing booth at the Golden Avenue Halloween Carnival needs them. We also need groceries and plants for the Country Store, doll clothes, white elephants (here's a chance to get rid of some of those ceramics that seem to multiply so rapidly), books, comic books and paperback novels, homemade candy (lots and lots of it), cakes, pies (no cream pies), cupcakes, cookies and lots of old jewelry and trinkets for the fish pond.

Perishable items should be brought the day of the carnival but the sooner we receive the other things the better. Some have to be wrapped and tied and need time to arrange.

Of course, we need help, help, help and more help so if you haven't already signed up for a job, please contact your room mother and she'll have a job for you!

Fish to Fry Again For Polio Drive At Spin Inn

The Spin Inn Cafe annual fish fry for the March of Dimes will be held Monday, October 24.

Mrs. Brady announced that parents will be encouraged to attend the carnival in their area.

Junior Hi Students To Form Teenage Book Club

The 6-1 class of the Lemon Grove Intermediate School voted this week to form their own book club by joining the Teen Age Book Club. This club has more than 7,000 member clubs in schools throughout the nation.

During a brief meeting at class time, students elected John Bell as secretary of the TAB Club. He will be in charge of operations of the club this semester and will order books selected by the class.

Describing the club to the class, Rolland Purves, teacher-sponsor, explained that it is a plan which enables students to buy monthly at low cost good books selected for their teenage appeal. "One very attractive feature of the TAB Club is that for every four books a member buys, he earns one free book as a dividend selection at the end of the semester," Mr. Purves explained.

TAB's selections for this month include such popular titles as "Hi There, High School," "Baseball Stars of '55," "Sue Barton, Senior Nurse," and many others. TAB Club also makes available to its members a handy home reference set containing the Merriam-Webster Pocket Dictionary, Rand McNally Pocket Atlas, and Roget's Pocket Thesaurus.

Chef of the institution is Frank Trol, former operator of Frank's Place in Del Mar. The cafe will feature such sea delicacies as lobster, abalone, shrimp and swordfish. Family prices will prevail.

Lunch will be served daily

Presbyterian Church Scouts to Sell Subscriptions

Monterey Heights New Teachers are Introduced

ONE OF A SERIES

In this series of sketches about new teachers in Lemon Grove, the Review is acquainting readers with the entire staff of the schools. Well-qualified, competent teachers help build better communities. Through these introductions, the people meet the educators who mold minds and characters of Lemon Grove's 3000 children in its elementary schools.

Monterey Heights School is under the direction of Principal Arthur Thomas. A new first grade teacher here is Mrs. Geneva Funk, mother of two children. She comes to Lemon Grove with eight years teaching experience in Missouri. Mrs. Funk obtained a BS degree at Kansas City Teachers College where she was active in the orchestra and chorus. She boasts membership in MSTA and NEA.

Another new first grade teacher is Mrs. Agnes Stelman, who has had teaching experience in Illinois, Colorado, and Alaska. She graduated from South Illinois University with a BS degree and did graduate work at the University of Alaska. A member of NEA, AEA, and the Anchorage Education Association, Mrs. Stelman also claims an interest in the field of music.

Miss Trudy Mills entered Lemon Grove schools this year as a second grade teacher. After attending Fort Hayes College in Kansas, she graduated from Columbia University with a BA degree. Her background includes work as a camp director and interests in the field of music, piano, clarinet, and voice.

John Grandjean, who has a fifth grade at Monterey Heights, comes here after two years experience in neighboring Lakeside. After graduating from the University of Missouri, he earned his MA degree at San Diego State College. Married and the father of two children, Grandjean served as a pilot in the U. S. Air Force during the war. He is a member of NEA, CTA, P-TA, and Phi Delta Kappa.

The remaining staff is made up of teachers with previous experience in the district. Kindergarten teachers are Miss Barbara Hayward, Miss Patricia Walters, and Mrs. Kathleen Littrell. Mrs. Gladys Jones has one of the first grades.

Second grade teachers, besides Miss Mills, include Mrs. Alice See, Mrs. Fern Bowen; third grade instructors are Mrs. Lois Richie, Mrs. Helen Kelsey, and Mrs. Isabel Zidek. Mrs. Madge Lowery, Mrs. Lockey Palermo, and Michael Calderone teach the fourth grades there.

In the fifth grade is Robert Harvey and Louis Poluzzi, and Rick Stammerjohn teaches the one sixth grade.

Next week the final article in this series will introduce teachers at the Lemon Grove Junior High.

Carr's
Last Friday and Saturday, by night as by day, everyone was impressed by the double row of closely parked cars of shoppers all along Broadway. And to think that just four years ago we were the last store this side of Phoenix, or thereabouts. (Things certainly looked agricultural to the west of us.)

Now, we are right in the center of the shopping district, our business grown up and our walls bulging with the things that our customers have taught us to carry for them.

And with Christine Bently in charge, you can be sure of prompt and courteous service. Just ask her to lay away your selection for Christmas. Should you need a little help or suggestion in making this selection, you can count on her friendly advice and assistance.

More Bundles from Heaven Come to Boost Lucky Lem Sales

Six boys and nine girls were born in Grossmont Hospital from 8:16 a.m. last Friday morning until 8 o'clock Monday morning, three days, Oct. 7 to Oct. 10.

Neither Lemon Grove nor Spring Valley youngsters were included in these "bundles," but on October 4 a boy weighing 9 pounds, 15½ ounces—that's pretty close to 10 pounds—came to brighten the home of Mr. and Mrs. John F. Baker, 1681 Drexel Drive, Lemon Grove. He will probably be a football star in a few years.

October 5 a boy, weighing 9 pounds, 12 ounces, was delivered by the stork to the home of Mr. and Mrs. Earl L. Dedrick, 9566 Campo Road, Spring Valley. Another, husky for the gridiron.

And on Oct. 7 Mr. and Mrs. John Larrabee, 10351 San Carlos Drive, Spring Valley, welcomed a little miss weighing 7 pounds, 6½ ounces. We will wager she will be a cheer leader and help yelp the boys to touchdowns.

Just think, these three little folks arrived just in time to boost Lucky Lem Sales at Lemon Grove stores. Thrive welcome, little strangers.—D. H.

VOGUES BAKE SALE TO BE THIS SATURDAY

Saturday, Oct. 22, 9 a.m., corner of Main and Broadway, is the date of a bake sale planned by the Lemon Grove Woman's Club, Vogue Section. On sale will be cakes, cookies, candies and other home made items. Mrs. John Kish, ways and means chairman, is in charge.

Fun for all in Halloween motif was the theme of the club's meeting Tuesday evening, Oct. 18. Mrs. Arthur Taylor entertained members and guests with fortune telling. Mrs. B. G. Collier was in charge of decorations and her committee included Mmes. John Kish, Kenneth Clarke and J. A. Fernald.

Refreshments were served by Mmes. John Gregory, William Hubbard, Phyllis Haas, and Leona Hardy.

New Officers Named for Hospital Auxiliary

Grossmont Hospital Women's Auxiliary chose its 1956 officers at a general meeting held Thursday, October 14. They are: Mmes. Jens Hutchens, president; Duval Ellery, vice president; A. L. Ballantyne, recording secretary; Elmer J. Drew, financial secretary; D. V. Stovall, treasurer—the slate submitted by the nominating committee, which was approved unanimously, there having been no nominations from the floor. Mrs. Paul Fellows was nominating committee chairman.

The new officers will be installed at the December meeting, Friday December 9; time and place to be announced. It will be a third term for Mmes. Ballantyne, Drew, and Stovall; a first for Mmes. Hutchens and Ellery. The former was recently elected to fill the unexpired term as vice president of Mrs. George Gonnard, resigned; and the latter has been chairman of hospitality aides during the current year.

Proposed amendments of the by laws also met with unanimous approval. They were given a second reading by Mrs. Benjamin Polak, member of the by-laws committee, acting for Mrs. E. C. Wright, chairman. Major changes involved meetings, standing committees, and functions of same.

The group was addressed by Carlyle Reed of El Cajon, public relations counsel for Grossmont Hospital, who stressed the influential role played by each and every member of the auxiliary in representing the hospital to the public.

Mrs. J. Forster Couts, who is rounding out her third year as president, a post she has held since the auxiliary was first organized, conducted the procedure in her own inimitable manner.

The automatic transmission for cars has been perfected to the point where it can just about read the driver's mind—if any.

Kiwaniannes Meeting Changed to Monday

The Lemon Grove Kiwanian will hold this month's meeting on Monday October 24, instead of the regular meeting date, at the home of Mrs. Jerry Walter, 2984 Buena Vista. Mmes. Max Goodwin and Kenneth Conrad will be co-hostesses. Mrs. J. B. Yeo, president, will preside.

An interesting program has been arranged by Mrs. Byron Netzeley, vice president and program chairman. Mrs. F. S. Eldridge of Spring Valley, whose forte is home economics, will talk on "What's New in Cooking," illustrated by recipes and examples. Mrs. Eldridge is well known hereabouts, having conducted classes for the "Modern Gourmet" section of the local women's club; featuring new methods of preparing tastier, more nutritious meals that are also time and work savers for the cook. Having raised a family, Mrs. Eldridge is now combining the role of homemaker with that of developer of recipes using Minute Maid frozen juices, for which her husband is the local distributor.

Committee appointments for the 1955-56 season were announced at the September meeting, as follows: Mmes. Jerry Walter, courtesy; Jack Durham, historian; J. G. McMahon, inspiration; W. C. Nienaber, member-

SPIRITUAL REBIRTH NECESSARY SAYS CHRISTIAN SCIENCE SERMON

That we must be born again through spiritual understanding in order to enter into the kingdom of God will be brought out in all Christian Science churches Sunday when the subject of the Lesson-Sermon is "Probation after Death."

Fourteen PTA Presidents in Policy Huddle

Front—Mmes. Robert Wilkens, La Mesa Elementary School; M. Schontz, Murray Manor; Joe Elles, La Mesa Dale; C. R. Haupt, Lemon Avenue.

Middle—Mmes. Carleton Bunce, Spring Valley; W. D. Newport, Rolando, William Green, Rolando Park; Fred Ralston, Bancroft; H. D. Pendergrass, San Miguel.

Top—Mmes. Carl A. Krueger, Casa de Oro; J. C. Gomes, Golden Avenue; R. C. Alexander, Vista La Mesa; Don Irwin, president Mt. Helix Council; John Gregory, Monterey Heights.

Not present when the photograph was taken are Robert Dryden, Fletcher Hills, and Robert Stevens, Murray Manor.

Presidents of 14 elementary school PTA associations of the La Mesa, Spring Valley, and Lemon Grove area met last week at the home of Mrs. Don Irwin, president of Mt. Helix Council which is comprised of representatives from all the PTAs in the above area.

The purpose of the meeting was to discuss various problems and forthcoming special events which are being sponsored by PTA units and exchange ideas to insure their success.

Out of the discussion two items especially stand out in importance. First, PTA members will be asked to remain vigilant against objectionable publications, specifically horror and obscene comic books, etc., which may be on sale in their area. Second, the majority of the PTAs are conducting their carnivals on Halloween night, Monday, October 31, consistent with PTA objective to provide wholesome community entertainment for the children on Halloween.

United Success Drive Depository to Be on Plaza Saturday

By GLADYS KRANCH

Are you aware that the 1955 United Success Drive is in progress and has been for the past week? You're not? Well, fear not, for after a sad start, Lemon Grove, with a small residential quota of \$4,275.00, still has a chance.

To date, our United Success Drive has received just \$77.59 from the residential districts—that less than 25% of our goal of \$4,275.00. And in the words of a grammar school student, that

Women throughout the area have set aside Friday as "Gal Friday" day for the United Success Drive for \$1,735.450.

Hundreds of women have already volunteered to be a Gal Friday to take on the job of securing contributions from residences and small businesses not yet covered in the campaign to Take Our Children off the Waiting List.

The operation is scheduled to start at 9:30 a.m. Friday, when women will pick up materials and specific assignments in the district to be covered.

Additional help is still needed to make "Gal Friday" successful, and complete the residential campaign. Women who have completed their own territories, or who want to give Friday to finish the job, are asked to call ACademy 3-7191 and ask for "Gal Friday."

is "stinkin' poor" results.

The United Success Drive aids those in need and will take our children off the waiting list—these are two of many reasons why each family in Lemon Grove should pledge to themselves that on Saturday, October 22, 1955, they will appear at the Plaza, located at Main, Imperial and Broadway, to deposit their contributions in this one, all out, grand slam punch to reach our Lemon Grove contribution quota.

The committee also urges business organizations who have not given their contributions, to deposit them at the Plaza location any time between 9 a.m. and 5 p.m. on Oct. 22.

What do you say, Lemon Grove—let's make this a slam-bang, wrap it up, over the top effort to meet our quota.

ANOTHER PTA REPORTS SUCCESSFUL MEMBERSHIP DRIVE

Baptist Church Will Be Represented at Associational Meet

The First Baptist Church of Lemon Grove will send several of their members as messengers to the San Diego Association of Southern Baptist annual meeting this Thursday evening at 7 o'clock and Friday, October 21. Friday's meeting will begin at 10 and continue through 1:30 p.m. The last session will be held Friday evening at 7 o'clock. The 26 Southern Baptist Churches in San Diego county will meet for this program with the First Baptist Church of Lakeside. Reports for the year will be made, and plans for the coming year will be adopted. Several of the state officers from Fresno, Baptist headquarters for the State of California, will be featured as speakers. This annual meeting is expected to be one of the best in the history of the churches in this San Diego Association.

CARNIVAL BOOTHS AT ROLANDO PARK SCHOOL GO UP SATURDAY

Construction work on the booths for the annual Halloween Carnival, to be held Monday, October 31 at the Rolando Park School, 6620 Marlowe St., will begin Saturday morning, October 29, according to Milton Urick, carnival chairman for the Rolando Park PTA. This year, the fathers will carry the greatest share of the burden. Saturday will find them busy with saws, hammers, and nails, constructing booths for the various games that will be offered. Booths are being planned for a fish pond, balloons, dish breaking, and many others. Spook house, movies and other types of entertainment will also be in operation. Refreshment booths for soft drinks, pop corn, doughnuts and coffee, pies and cakes, hot dogs and ice cream will also be constructed.

Prizes will be given for the funniest costume, the most original, the most attractive, and several other classifications. "Prices for the various types of entertainment and refreshments are being kept to an absolute minimum and everyone is assured of a grand and glorious time. Help keep our children out of mischief and off the streets this Halloween. Bring them and yourselves to the carnival," said Mr. Urick.

TROOP 171 WEEKENDS AT ACTION RANCH

Twenty-four boys of Troop 171 with Scoutmaster Gordon Rea and fathers George Kenworthy, Ken Matters, Homer Haughey and R. Massey spent last weekend at Julian Stamps Ranch, close to Action. This was a new spot for the boys, and a good time was had by all.

Dr. Elmer L. Jones will have as his topic next Sunday, October 23, "The Prayers of Two Men."

membership drive. It was a great success, according to Mrs. K. W. Warner, membership chairman. Mrs. Betty Glass's morning kindergarten class won the prize with 176% of their quota. The prize is a five dollar certificate to be used for something for their room. Rolando Park PTA has an enrollment of 594 members which is just a few less than student enrollment.

This year a planter will be purchased. The room having the largest attendance at PTA meetings will get the planter for that month.

MR. FIXIT Complains of Litter Along Broadway's East End

Walt Palmer, who owns The Trading Post, 8131 Broadway, near East entrance to Lemon Grove, called Mr. Fixit on Tuesday regarding the litter along both sides of Broadway at the eastern end of that Lemon Grove thoroughfare.

Paper and tumbleweeds are very much in evidence, make a very messy appearance. Occasionally tourists who stop at the Trading Post ask Walt "Is this in Spring Valley or Lemon Grove?"

Palmer says he was approached for a donation recently "To clean up the street" and he put in \$10. So far, the cleanup gang has not appeared.

Mr. Fixit has not had time to check on the matter, but will get busy with the proper authorities. Being in the county, several sources of information seem to be involved.

Palmer says he was told that a 75 foot setback on both sides of Broadway in that section is required, but this setback is not observed by all property owners. He wants to know how come.

Mr. Palmer called Mr. Fixit's attention to a sign across the street from his store which says "Lemon Grove, population 8,000." "That's a poor boost for Lemon Grove," he thinks, "when we claim 22,000 population. Just another little oversight, which should be corrected."—D. H.

Council Attendance Urged

With so many vital youth questions arising in Spring Valley, it is the utmost importance that the different organizations send their representatives to the meetings of the Coordinating Council. The council meets the second Tuesday of each month at the Pals and Gals Clubhouse, Troy Street.

At the last meeting, out of 36 organizations there were but 10 represented.

"It is up to all of us to try to get the rest of the valley organizations to attend," said Jack Gowin, president.

Although the meeting was not well attended, it was an interesting one. John Penneck of the County Coordinating Councils was present and told of plans by the county board of supervisors to have a dinner and meeting of all the representatives of C.C.s throughout the county.

Speaking on school problems, Mr. Penneck said that more interest should be shown by the parents toward the schools. "Too many people send their children to get them from under foot," he said.

There seemed to be a general opinion that Spring Valley should divorce itself from the La Mesa School district and form a district of its own. Basis of this opinion was the fact that in the last few school bond elections it was La Mesa who let us down.

A pamphlet issued by the County Coordinating Councils was presented at the meeting, telling of child guidance. The pamphlet covers such things as guiding principals, freedom yet discipline, what constitutes a good home, homes and delinquency, and an article by J. Edgar Hoover "How can we become better parents?"

Any organization interested in these pamphlets may have same by calling the County Coordinating Council office in the Civic Center building.

William Doughman, president of the Spring Valley Chamber of Commerce, displayed the trophies the chamber had won in several parades the past few years. He told of the forthcoming Toyland Parade, and the council agreed to go along cooperating 100 percent.

'HIGH TIME' TO BE THEME OF FOOTHILLS COUNCIL P-TA

The Foothills Secondary Council of Parent-Teacher Association was well represented at the Ninth District California Congress of Parents and Teachers Conference Thursday, October 6. The theme, entitled "It's High Time," stressed the need for better communication between home and secondary schools. Mrs. Chas. S. Goode, secondary service chairman, presided.

The guest speakers were: Otto E. Buss, principal of Van Nuys Junior High School who stated "The P-TA is akin to a large family. Often there are differences of opinion and these differences must be talked over honestly and fairly." Mrs. Foster M. Warwick, secondary schools service chairman for California Congress of P-TA, pointed out many ways in which P-TA members have an opportunity to communicate with the schools. "The P-TA and the schools are a partnership and a complete understanding of the school program and the goals of P-TA were what is needed to achieve teamwork."

Acting as moderators of two discussion groups were Mrs. Rue L. Shiers, president of Foothills Secondary Council CPCT and Mrs. John L. Thompson, president of Grossmont High School. Recorders were Mrs. John Wurzburger and Mrs. Norman Mortenson.

Those attending from the Foothills area were district superintendent, principals, counselors, board trustees of schools, also executives of active teenage groups, P-TA presidents, junior

ing Council office in the Civic Center building.

William Doughman, president of the Spring Valley Chamber of Commerce, displayed the trophies the chamber had won in several parades the past few years. He told of the forthcoming Toyland Parade, and the council agreed to go along cooperating 100 percent.

DAVID SPRY WINS A TELEVISION PRIZE

David Spry, five years old of 7836 Barton Dr., Lemon Grove, was recently awarded a prize by Johnny Downs, KFSD Channel 10, for his entry in the "Good Deeds Contest." David says his good deeds are: baiting Mommy's hook when they are fishing, helping Daddy wash the car, putting the grass clippings in a box, and waiting on sister, who is sick in bed.

There is something about the female that makes her easy prey to jealousy. It may be the tendency of the male to drift a bit, in part.

ATTENTION: ALL GOOD COOKS!

YOU CAN WIN AN ELECTRIC APPLIANCE

GIVE US YOUR FAVORITE HOLIDAY RECIPE!

We want to prove to other good cooks what truly wonderful dishes can be prepared on (or in) an electric range. Here's what we want you to do! Stop at your neighborhood electric appliance dealer's store. Pick up a "Favorite Holiday Recipe" entry blank. There's no obligation — nothing to buy! Fill out the form — being careful to observe the few simple rules (for example: the recipe must call for preparation on an electric range — and only one entry per cook). Mail it to the San Diego Gas and Electric Company, P. O. Box 1831, San Diego 12. Our Home

Economists will be the judges. Entries will be judged on the basis of originality, appropriateness to the holiday season and down right good eating. Each winner will receive one of the appliance prizes listed in this advertisement. The 12 winning entries will be published in a Favorite Holiday Recipe folder — to be distributed free throughout San Diego County. Winners will be notified during the Thanksgiving Holidays. Watch your newspaper. We need your help. Enter this easy contest today! Entries must be postmarked not later than November 1st, 1955.

CALIFORNIA MASONS TO BUILD TEMPLE IN SAN FRANCISCO

Highlight of the 106th annual communication of Grand Lodge F&AM of California, which meets in San Francisco Monday, will be the ground breaking for the new \$5,500,000 Memorial Masonic Temple at Taylor and California Streets Wednesday, October 26. The program will begin at 11 a.m. and is scheduled to end precisely at noon. The public is invited to attend.

The colorful ceremony of breaking the ground with a gold shovel and its consecration in due and ancient form, by the pouring out of corn, wine and oil will be performed by Henry C. Clausen of San Francisco, Grand Master of Masons in California; Edgar V. Stewart Jr. of Los Angeles, Deputy Grand Master; L. Harold Anderson of Palo Alto, Senior Grand Warden and Leo E. Anderson of Hollywood, Junior Grand Warden.

More than 40 dignitaries from other Masonic jurisdictions all over the world, here to attend the sessions of Grand Lodge, will be guests on the official platform and they, as well as all the officers of Grand Lodge, will be in full Masonic regalia.

L. Harold Anderson, general chairman of the ceremony, will present Grand Master Clausen, who will make the address of welcome, and introduce state and city officials present. Milton D. Sapiro, of San Francisco, Grand Orator, will present the flags of Hawaii and California over which the grand lodge has jurisdiction, the grand lodge's own flag and the American flag.

The new temple is to be a memorial to all California and Hawaii Masons who have lost their lives in wars and their names will be inscribed in its lobby. It will have three main floors above ground and five below.

The auditorium, which will extend through all three above-ground floors, will have theater-type seats for 3,200 persons. The memorial lobby, opening from California Street, will be two stories in height and have three gigantic stained glass windows depicting the history of Masonry in California. On the second floor will be the auditorium balcony and space for a museum and library. The third floor will house the general offices of Grand Lodge and its standing committees.

The five lower floors will be occupied by a dining room seating 1,200, a 450-car garage and an exhibit space of 11,000 feet.

The building will be of steel and concrete construction with marble facing on the California and Taylor Street facades and is expected to be completed in 18 months.

A large portion of the funds for financing the building was contributed by individual Masons of California and Hawaii.

The committee in charge of financing the structure, buying the site and supervising the erection of the building is composed of Edward H. Siems, Past Grand Master, as chairman; Arthur M. Warren, also a Past Grand Master.

Tortoise Looks for New Home
In Monterey Heights
A tortoise, commonly called
land turtle, as large as a dinner
plate, was rescued by Del West-
fall of C. P. Appliances, at the
intersection of Dayton and Bar-
ton Streets in Monterey Heights
last week. Del figured that the
tortoise was looking for a new
location and chose to look over
the available homes. At any rate
Del took the tortoise home and
turned him loose in his back
yard. The turtle is evidently a
pet, as he eats lettuce from Del's
hand and seems to have been
handled by humans. He has two
holes in his shell, one torn out,
indicating his having been teth-
ered. The turtle is presently
catching bugs and eating green
stuff, his prescribed diet, at Del's
home.

If the owner will phone C. P.
Appliances, HO 6-0096, 7852
Broadway, more information will
be given. Del Westfall's phone
number is HO 6-9158. No one is
home in daytime.

Del's son counted 32 ridges on
the turtle's shell. The ridges are
said to indicate the turtle's age.
Some live to be 75.—D. H.

JR. HIGH PTA MEETING
COVERS MULTITUDE
OF AFFAIRS
Twenty seven members of the
executive board of the Lemon
Grove Junior High Parent Teach-
er Association attended the Oc-
tober meeting at 7:30 p.m. at the
home of Mrs. R. E. Davy. Mrs.
Carl Nelson assisted as hostess.

Matters for discussion were the
bond election, the booths at the
four elementary school carnivals
at Halloween, and the sponsoring
of student dance classes.

Mrs. Carl Nelson announced
that to date the memberships in
the PTA for the 1955-56 years
numbered 674. This shows a good
percentage of membership with
an enrollment of 761 students in
the school.

Detailed plans for the opera-
tion of the junior high booths at
the four elementary school car-
nivals were discussed recently at
a meeting called by Mrs. Brady.

LETTERS TO THE EDITOR

Continued from Front page

comparing thunder and light-
ning; of trees turning to yellow
and gold and red—of farmers in
chambray shirts and overalls—
hands sunk deep in their pockets
—leaning against whatever will
support them, while they wait
for the mail to come in.

Where you say good morning
to everybody and people pop into
your home at any time for some-
thing or nothing—just as they
are and as they expect to find
you. And there—at the end of the
main streets flows the muddy
Missouri—the place where par-
ents look first for adventurous
boys.

The streets and the homes are
few—all hiding under huge over-
hanging trees. There are three
general stores, a feed store, a
pool hall, a second hand store, a
lunch counter, and a bank. One
gas pump in front of the feed
store. They'll sell you gas, but
you wipe your own windshield.

They don't ask you what you
want, they tell you what they
have, and you like it and you
like them and they like you. You
may forget their family name
and sometimes their given name,
but you'll know their nicknames.
They know not only you, but
your pappy, your grandpappy,
and sometimes three generations
of your family. Kansans live long-
er than other Americans and we
are finding out why.

Don't know why I got started
this way, except I know news-
papermakers want to know ev-
erything.

Yes, and we still love Lemon
Grove.

Very truly yours
BRUCE VERNIER,

Grossmont Hospital
Doing Good Business

Seventy-seven babies were born
in Grossmont Hospital during
September, 38 boys and 39 girls.
Besides the babies, there were
108 major and 69 minor surgeries
performed during September.

Percentage of occupancy during
the month averaged 55 per
cent, with average daily census
of 57 persons. A total of 382 ad-
missions during the month, com-
ing from La Mesa, El Cajon,
Lakeside, San Diego, Alpine,
Lemon Grove and Bostonia prin-
cipally, with some patients com-
ing from Pine Valley, Jamul,
Santee, La Cresta, Ramona, Des-
camo, Chula Vista and some
points as far away as Palmdale
and Holtville.

Average length of stay in the
hospital for all patients is four
and one half days, which by co-
incidence, conforms exactly to the
average length of stay in hospi-
tals throughout the United States.

Diapers Damaged by
Dirty Water

A damage claim was filed by
Mrs. Gordon Weinrick, 1035
Clark Drive, El Cajon, for \$7.00,
for damage to three dozen diap-
ers, said damage caused by "dirty"
water.

The lady's letter to the board
stated that she returned home a
month ago with a new baby, and
had purchased three dozen diap-
ers at a discount from regular
price of \$3.50 per dozen. She had
the diapers in her washing ma-
chine, was running clear water
into the tub when called away
for a moment, leaving the water
running. Said water was clear
when she left, but when she came
back the tub was full of dirty
water. Workmen were busy in
the street, but had not notified
her that they were working on
the line. She said the diapers
were ruined, couldn't get the
mud stain out, and she estimated
the damage at seven bucks.

Members of the board smiled—
they are all married men, and
Bill Jennings had nothing to say.
Board recognized that the lady
should have been notified of
color of the HPO—"Water is a
colorless fluid composed of two
parts hydrogen and one part oxy-
gen," according to Winston Dic-
tionary—and the lady will be
sent \$7.00 as requested.—D. H.

FORTY FIVE TO SHOW
FLOWER ARRANGEMENTS

"Floral Art in the Home" is
the theme of the 47th Annual
Flower Show of the San Diego
Floral Association to be held in
the Floral Building, Balboa Park,
on October 22 and 23. It opens
on Saturday at 1 p.m. and Sun-
day at 11 a.m.

More than 45 members of San
Diego's oldest garden club and
guest artists from the county will
combine their talents in this
show, which is under the chair-
manship of Mrs. Roland S. Hoyt
and Mrs. L. L. Carringer. Mrs.
W. M. Abernathy is in charge of
hostesses. Mrs. Mark Baldwin is
president of the San Diego Floral
Association, which is also a mem-
ber of the California Federated
Garden Clubs, Inc.

It was announced that parents
of the junior high students would
be encouraged to attend the car-
nival of the school in their area.

Juniors to Set 'Magic' Motif for November Style Show

The Lemon Grove Juniors are presenting their third Annual Fashion Show, "Holiday Magic," to be held at the Junior High Cafeteria on November 5 at 12 noon and 8 p.m.

At the regular meeting October 10, the Juniors voted to give the entire net proceeds to the Lemon Grove Swimming Pool Fund.

Plans are being made for two shows, a noon luncheon and an evening dessert. The Lemon Grove merchants are combining their efforts to make this show a success. The following stores will show their latest in fall and holiday fashions:

Evelyn Wigton's, Maris's, Lemon Grove Department Store, Lowe's, Toggery, Lane's, Men's Wear, Highlander Store for Men, Style Shop and the Walker Scott Company.

Mrs. Arthur Crom, county junior advisor, will commentate the afternoon show.

The tickets are available now, and are \$1.75 a person. Contact Mrs. Tom Mitchell, HO 6-1382, for reservations.

V.L.M. PTA EXEC. BOARD TO MEET MONDAY

The November meeting of the executive board of the Vista La Mesa Parent Teacher Association will take place Monday evening at the home of Mr. and Mrs. Peter Bakker of 7206 Blackton Drive at 7:30 p.m.

Assisting Mrs. Bakker as hostess will be Mrs. J. M. Prince. Mrs. Bakker is room mother chairman and Mrs. Prince music chairman of the unit.

Last minute details for the carnival will be discussed as well as reports of the chairman and routine business.

All members of the executive board are urged to attend. It is a duty and a privilege of the office to which they are elected or appointed.

Mrs. R. C. Alexander, president, and Mrs. R. T. Frazier, second vice president and membership chairman, announced that at the close of the membership drive 445 memberships had been received. Although the goal was not attained, the committee feels confident that it will be in the near future. Three prizes of \$3, \$2 and \$1 were awarded to the three rooms having the highest percentage of parents joining in their room. These were awarded to Mrs. Berdel's kindergarten class, first prize; Mrs. Fountain's second grade class, second prize, and Mrs. Snell's second grade class, third prize.

A carnival meeting was held Monday evening, October 17 at the home of Mr. and Mrs. Kenneth Trytten, 3926 Massachusetts St. at 7:30 p.m. Mr. and Mrs. Trytten are carnival chairman and called the meeting to plan more in detail for the affair which is to be held Monday evening, Oct. 31.

Civil Defense Plans Shown at PTA

At the October meeting of the Golden Avenue PTA Thursday evening, Bob Rogers of the Office of Civil Defense, the featured speaker, stressed the need for school evacuation plans. First he showed a movie which impressed on everyone the damaging capabilities of the atom and hydrogen bombs and then he urged the forming of a plan for evacuating the school children of the area during school hours, in case of enemy attack. All cars and drivers in the vicinity during school hours will be enlisted for hauling the students to Campo, our evacuation depot.

Mrs. J. C. Gomes, our PTA president, said a committee would be appointed to formulate such a plan in the very near future.

A large group of sixth graders sang the new song composed by Mrs. Hacker's students for a possible school song. Mrs. Holmquist's room won the room count.
